

BRINGING
COLORS
TO THE LIVES OF
MILLIONS

MANUFACTURER OF
COLOR MASTER BATCHES

Established in 1966, HIND group has been reaching new levels of excellence for last three generations. The 3rd generation of the HIND group has infiltrated into the supply and manufacturing of color master batches. After being industrious in the field of manufacturing for over 5 decades, we have begun to speak the language of colors. Registered in April 2018, **HIND POLYBLENDS LLP** is located at the Lodhika GIDC, Metoda, Rajkot, Gujarat and has expertise in manufacturing color master batches.

COMPANY PORTRAYAL

Spread across 18000 sq ft area, the state of the art infrastructure & machinery installed in 6000 sq ft at **HIND POLYBLENDS LLP** ensures that we pull of cumulative production of 600 MT per annum. The place is large enough to accommodate staff rooms & it also has provision to keep a large stock.

PRODUCTION & TECHNOLOGIES

Sighting the perfect fusion of innovation with experience, we are using one of the most proven technologies in the field like **the twin screw extruders (steer make)** for master batches and compound. For consistent and uniform pre-mixing of raw material we deploying the high speed mixer and Pulverlizer. This command over technologies prepares the capacity of the production to close to 600 MT per annum.

To ensure quality of highest class in terms of color matching, we have installed injection machine, two-roll mill, blown film machine & muffle furnace. Quality tops the priority of our list of aspirations. To serve the optimum benefits to the customers of HIND, we work in the direction to significantly improve the high-grade masterbatches / compounding quality.

SUPREMACY AT QUALITY CONTROL

MASTER BATCHES

- White/Black Master Batch
- Color Master Batch
- Pearl Master Batch
- Engineering Plastic Master Batch
(NYLON, ABS, PET, PC, PPT, HIPS, DERLIN, PBT)
- Special Effect Food/Non Food Grade Master Batch
- ROHS Master Batch
- High Heat Stability Master Batch
- High Light Fastness Master Batch
- TPU/EVA Master Batch

ADDITIVE MASTER BATCHES

- Anti Static Master Batch
- Anti Slip Master Batch
- Anti Block Master Batch
- PPA Master Batch
- Biodegradable Master Batch
- Decicant Master Batch
- UV Master Batch

ROTO-MOULDING POWDER

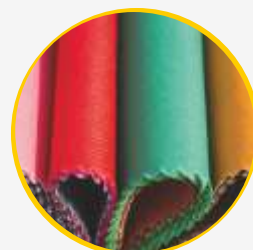

TALC/CALCIUM CARBONATE/COLOR PIGMENT BASE POLYMER COMPOUNDS

OPTICAL BRIGHTNER

APPLICATIONS OF OUR PRODUCTS

Woven Sack Industry

Non-Woven Industry

House Hold Items

Blow Moulding Items

Roto Moulding Items

PET Bottles

Carry Bags

Shade Nets

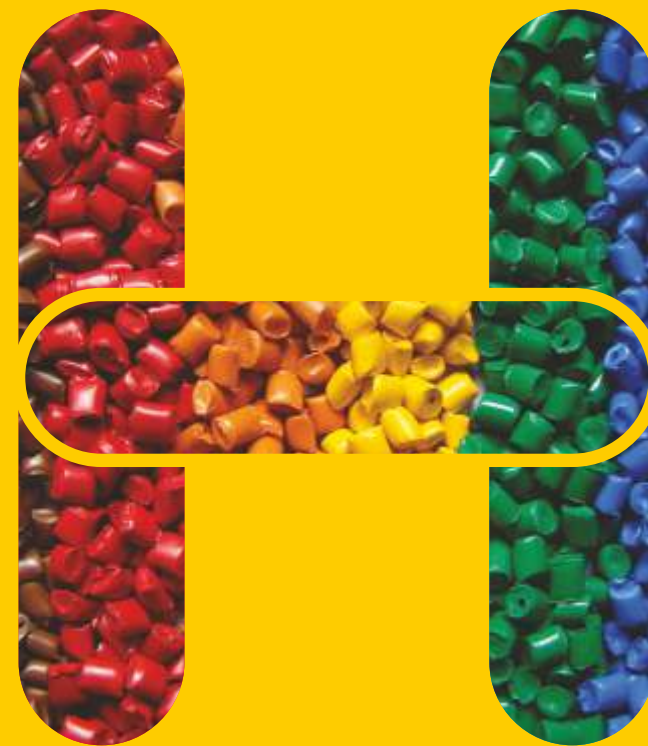

Plastic Furniture

Engineering Plastic
